We'll do anything to keep our prices low and customers happy!

In a nutshell, Skinny's whole reason for being is to strip everything back, so you only pay for stuff you actually want at super low prices. It's based on a model called common sense. Skinny only does award winning mobile and broadband, and it's all prepay.

Skinny Mobile is a division of Spark New Zealand Trading Limited, and Skinny happily uses Spark's 3G and 4G network.
